

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. In its goals to promote competition, diversity and localism in today's media market, I strongly believe that the FCC should retain all of the current media ownership rules now in question.

I do not believe that the studies commissioned by the FCC accurately demonstrate the negative affects media deregulation and consolidation have had on media diversity. While there may be indeed be more sources of media than ever before, the spectrum of views presented have become more limited.

Thank you,

D.G. Davis
